We are happy to announce that the 2025 European Capitals of Inclusion and Diversity Award was launched on 26 November 2024.

Inaugurated in 2022, the Award recognises and rewards local authorities across the EU that actively promote inclusion and diversity and help to build a fairer Europe. The competition is a chance for cities, towns or regions in the EU to highlight policies and initiatives that create more diverse and inclusive spaces for their citizens.

The Award is given in two main categories:

- local authorities with less than 50,000 inhabitants;
- local authorities with more than 50,000 inhabitants;

In 2025, local authorities will be also rewarded in a specific award category dedicated to inclusive housing.

The deadline to submit applications is **7 February 2025, 12:00 (CET)**. Two dedicated webinars for potential applicants will be organised on [11 December](#) and [16 January](#).
