Subject: BlackSea Basin Program - Turkey-Romania partner search

To: office@uncjr.ro <office@uncjr.ro>, bruxelles@uncjr.org <bruxelles@uncjr.org>

Dear Madam/Sir,

I hope this e-mail finds you well and I hope you are doing fine. My name is Bulent Boztug and I am working at Union of Provinces in Turkey.

One of our members (Kastamonu Province) has a project proposal for submitting to Black Sea Basin Program and is looking for a project partner from Romania.

Aim of project is to reduce pollution caused by wasted water discharged to rivers without filtering. Kastamonu Province needs a partner who is a local government or a public institution dealing with villages' waste waters.

If your organisation or any entity from your network is interested in such a proposal please let me know.

Thanks for your help and best regards.
